Siena informations

The city is known worldwide for its artistic heritage and for the substantial stylistic unity of its medieval street furniture, as well as for its famous Palio. The center has been declared a UNESCO World Heritage Site in 1995. During Siena stay, you can enjoy visiting several artistic places, such as Duomo of Siena and Battistero of San Giovanni, Piazza del Campo and Palazzo Comunale with Torre del Mangia, the Museo dell'opera metropolitana del Duomo and the Pinacoteca Nazionale. Siena is situated in the center of Tuscany between the Chianti area and Maremma, rich in history, art and popular traditions. The near city of Florence (60 km) and Pisa (160 km) may be reached, but also other delicious resorts earn a visit, such as S. Gimignano, Volterra, Montalcino and Monteriggioni.

December 1st Sant'Ansano Saint Patron: the festivity marks the beginning of the Year of Contrada. A solemn procession leaves from Piazza del Campo along the 17 districts and arrives to the Cathedral where the Archbishop of Siena presides the Holy Celebration.
